- ☐ Yes ☐ No

15. Tell us about anything you ticked or answered Yes to *

Only if "Do any of these apply to you?" is Dry eyes, Frequent eye irritation, itching or watering, An eye infection or condition now, such as conjunctivitis or blepharitis, Eye surgery in the last 6 months, including LASIK, Alopecia or recent lash loss, A thyroid condition or Chemotherapy in the last 6 months or "Are you allergic to adhesives, latex, medical tape or cyanoacrylate glue?" is Yes or "Have you ever reacted to lash glue, eye pads or tape?" is Yes.

Consent

16. Risks *

- ☐ I understand lash extensions can cause irritation, watering, redness, an allergic reaction and, rarely, an eye infection, and that glue in the eye is flushed out straight away.

17. If my eyes react *

☐ If my eyes react, I will contact you to have the lashes removed professionally, and see a doctor if it does not settle.

18. Lash care *

☐ I will keep my lashes dry for 24 hours and avoid oil-based products, waterproof mascara, curlers and picking.

19. Removal *

☐ I will not pull extensions off myself. Removal is done in the salon.

20. Fills *

☐ A fill needs [50%] of the set still on; less than that is booked as a new set.

21. May we take before-and-after photos of your lashes for our portfolio?

☐ Yes

☐ No

22. Parent or guardian's name *

Only if "Are you under 18?" is Yes.

23. Signature *

A parent or guardian signs for anyone under 18. This covers future fills until your answers change.
